DE CATALUNYA

ESCOLA UNIVERSITÀRIA D'ÒPTICA
I OPTOMETRIA

DEPARTAMENT D'ÒPTICA I OPTOMETRIA

COLONIZACION FUNGICA DE LENTES DE CONTACTO

Memoria presentada para optar al grado de
Doctora en Ciencias (sección Biológicas) por la
Universitat Politècnica de Catalunya realizada
por M^a SOLEDAD MARQUES CALVO

V^o B^o,
el director de la memoria

Dr. D. Josep M^a Torres-Rodríguez
(Departament de Genètica i Microbiologia,
Universitat Autònoma de Barcelona)

Terrassa, abril de 1998

7. BIBLIOGRAFIA

7. BIBLIOGRAFIA

El último capítulo de la presente Tesis Doctoral está destinado a citar, según el estilo de Vancouver (Ann Intern Med 1988; 108: 158-265), las referencias bibliográficas utilizadas e indicadas en la memoria. Se han omitido otras que, si bien aludían de un modo u otro a aspectos concretos, no se han reflejado en la misma.
